Communication from the Public – School Community Relations (1001)

The Board of Directors encourages public input and will provide a time at the beginning of the regular monthly meeting for that purpose. Persons seeking to address the Board may contact the office of the Superintendent of Schools to be placed on the agenda, or they may request the opportunity to address the Board at the regularly scheduled monthly meeting. If several persons seek to address the Board, the President of the Board of Directors will determine how much time will be available to each speaker.

#### 5:45 IV. Report of the Superintendent of Schools

A. Discussion of Architects – Building & Sites (903)

The Board of Directors will discuss the architect search process.

B. Property/Casualty Insurance Renewal for 2015-2016 Fiscal Year–Business Procedures (816) - Special Report #1

Shelly Clifford, Chief Financial Officer, submits the renewal documents for the District's property/casualty insurance program for Board of Director's consideration. Comparisons show a 6.5% total cost increase over prior year, primarily due to base rate increases and total payroll increases in the workers compensation category.

#### BOARD MEETING AGENDA July 13, 2015 - Special Report #2

To: Urbandale Board of Education

From: Crista Carlile, Director of Teaching & Learning
Re: Physical Education Exemption for Connor Hendricks

#### **Background Information**

Connor Hendricks, an incoming 9<sup>th</sup> grade student, is a competitive gymnast. His training schedule at Triad Gymnastics in Ankeny begins at 2:15 each day, and amounts to 22 total hours per week. To accommodate his practice schedule, a reduced academic schedule of six periods has been established at Urbandale High School. In order to graduate on time, Connor needs six academic classes per year. This does not leave room for the required physical education course. Iowa Code and UCSD board policy allow for a board-approved exemption from the required physical education course. Relevant parts of Iowa Code and UCSD board policy are referenced in bold below.

#### **Requested Action**

It is recommended that the UCSD Board of Directors grant an exemption from the required physical education class for Connor Hendricks for the 2015-16 school year.

Iowa Code: 281—IAC 12.5(5)(f)

Physical education shall include the physical fitness activities that increase cardiovascular endurance, muscular strength and flexibility; sports and games; tumbling and gymnastics; rhythms and dance; water safety; leisure and lifetime activities.

All physically able students shall be required to participate in the program for a minimum of one-eighth unit during each semester they are enrolled except as otherwise provided in this paragraph. A twelfth grade student may be excused from this requirement by the principal of the school in which the student is enrolled under one of the following circumstances:

- (1) The student is enrolled in a cooperative, work-study, or other educational program authorized by the school which requires the student's absence from the school premises during the school day.
- (2) The student is enrolled in academic courses not otherwise available.
- (3) An organized and supervised athletic program which requires at least as much time of participation per week as one-eighth unit of physical education.

Students in grades nine through eleven may be excused from the physical education requirement in order to enroll in academic courses not otherwise available to the student if the board of directors of the school district in which the school is located, or the authorities in charge of the school, if the school is a nonpublic school, determine that students from the school may be permitted to be excused from the physical education requirement.

A student may be excused by the principal of the school in which the student is enrolled, in consultation with the student's counselor, for up to one semester, trimester, or the equivalent of a semester or trimester, per year if the parent or guardian of the student requests in writing that the student be excused from the physical education requirement. The student seeking to be excused from the physical education requirement must, at some time during the period for which the excuse is sought, be a participant in an organized and supervised athletic program which requires at least as much time of participation per week as one-eighth unit of physical education. The student's parent or guardian must request the excuse in writing. The principal shall inform the superintendent that the student has been excused.

Subject to the provisions of sub-rule 12.5(6), physically able pupils in kindergarten through grade 5 shall engage in physical activity for a minimum of 30 minutes each school day. Subject to the provisions of sub-rule 12.5(6), physically able pupils in grades 6 through 12 shall engage in physical activity for a minimum of 120 minutes per week in which there are at least five days of school.

281—IAC 12.5(19)

### This requirement may be met by pupils in grades 6 through 12 by participation in the following activities including, but not limited to:

- (1) Interscholastic athletics sponsored by the Iowa High School Athletic Association or Iowa Girls High School Athletic Union;
- (2) School-sponsored marching band, show choir, dance, drill, cheer, or similar activities;
- (3) Non-school gymnastics, dance, team sports, individual sports; or
- (4) Similar endeavors that involve movement, manipulation, or exertion of the body.

When the requirement is to be met in full or in part by a pupil using one or more non-school activities, the school or school district shall enter into a written agreement with the pupil. The agreement shall state the nature of the activity and the starting and ending dates of the activity and shall provide sufficient information about the duration of time of the activity each week. The agreement shall also be signed by the school principal or principal's designee and by at least one parent or guardian of the pupil if the pupil is a minor. The pupil shall sign the agreement, regardless of the age of the pupil. The agreement shall be effective for no longer than one school year. There is no limit to the number of agreements that a school or school district may have with any one pupil during the enrollment of the pupil.

#### Urbandale Community School District Board Policy #611

Students in grades one through twelve shall be required to participate in physical education courses unless they are properly excused upon written request by their parents or guardians. Valid excuses shall include that the student is physically unable to participate due to illness or injury or the student has been exempted upon religious grounds. A student in grade twelve may be excused if the student is enrolled in another educational program authorized by the District which requires the student's absence from school or when the student is enrolled in an academic course not otherwise available. Students in grades nine through eleven may be excused if the students are enrolled in an academic course not otherwise available. Students participating in an organized and supervised athletic program shall also be enrolled in physical education unless otherwise excused under this policy.

FROM: Phil Jeneary, IASB Government Relations Director

DATE: May 8, 2015

SUBJECT: Call for 2016 IASB Legislative Priorities - YOUR VOICE MATTERS

The Legislature is close to finishing work on a \$7 billion state budget and the 2015 session is close to adjournment. Due to budgetary and policy issues not yet decided, it's clear our advocacy in the next year will be just as vital, if not more so, than in years past. Now is the time to reflect on IASB's legislative platform, and begin the next cycle of state public policy making.

From funding decisions to mandated activities, there are many decisions made in the Legislature that ultimately determine the capacity and resources of Iowa's public schools and our pursuit of world class education for all students. School board members need to know the issues to ensure we speak with one voice. Get connected in your communities, build relationships and engage others to share our vision.

Please spend time at your June, July, or August board meetings discussing and voting on <u>your</u> district's legislative priorities for the 2016 session (*due August 14*). Each board is requested to:

- Pick no more than four priorities for the IASB platform.
- Suggest amendments to existing resolutions or recommend new resolutions.
- Identify resolutions that should be removed from the platform if they are no longer relevant or critical.

The Legislative Advocacy section of the IASB web site will have all the supporting information to help you and your board through this process including:

- A complete list of the 2015 Legislative Priorities and Resolutions
- A printable version of our online survey to review, amend and submit resolutions and priorities
- Instructions for submitting your district's priorities on-line
- A sample news release to inform your public after your board has identified your priorities.

You can access the above information at: http://www.ia-sb.org/LegislativeAdvocacy.aspx?id=16014

Priorities need to be returned to IASB no later than August 14, 2015.

If you have questions, please contact Jessica Hulen, jhulen@ia-sb.org or call 1-800-795-4272.

#### STUDENT ACHIEVEMENT AND STUDENT EQUITY

- 1. Supports preserving the integrity of the statewide penny sales tax for school infrastructure, including the tax equity provisions of buying down the highest additional levy rates to the state average, and supports the extension of the statewide penny by the repeal of the Dec. 31, 2029 sunset.
- 2. Supports full state funding to encourage local initiatives to fully comply with current professional development program requirements.
- 3. Supports continued progress in the development of rigorous content standards and benchmarks consistent with the Iowa Core focused on improving student achievement, including the following state actions:
  - Provide and fund technical assistance to help school districts fully implement the Iowa Core.
  - Adopt high-quality summative and formative assessments, aligned to the skills students should know and be able to do to succeed globally and locally.
  - Include and fund all the components of successful standards systems: assessments aligned to high expectations, improved and aligned instruction and quality professional development.
  - Research based professional development that provides educators with training, support and time to work together so that they can

- successfully teach a rigorous curriculum to all students.
- **4.** Supports adequate and on-time funding for English-language learner (ELL) students until the students reach proficiency.
- **5.** Supports a funding mechanism for school districts' transportation costs that does not reduce funding for the educational program.
- 6. Supports an increase in funding to ensure all 4-year-olds have access to a high quality public school preschool program. The increase should include transportation and facility development costs. We should continue to allow 4-year-olds to be included in the enrollment count if those programs can demonstrate meeting the collaboration and quality standards requirements of the statewide voluntary preschool program.
- 7. Supports continuation of sufficient incentives and assistance to encourage sharing, reorganization or regional high schools to expand academic learning opportunities for students and to improve student achievement.
- 8. Supports the inclusion of drop-out prevention and funding for at-risk students in the foundation formula and the inclusion of socio-economic status as a factor in determining a student's at-risk status. Supports increased flexibility in the use of drop-out prevention and at-risk funding. Supports allowing districts to apply the rules for "supplemental"

weighted dollars" to all drop-out prevention program dollars.

- **9.** Supports revising the foundation formula to equalize per pupil funding regardless of the school district.
- 10. IASB supports Iowa law giving local school boards sole authority to establish charter and on-line schools. Charter and on-line schools should not be established by any entity other than public school boards and, after approval of a charter or on-line school by a local school district, charter or on-line school plans and waivers must be approved by the State Board of Education and subject to all state accountability and reporting standards.
- **11.** Supports reform of Iowa's K-12 education system that:
  - Is research-based:
  - Is focused on student achievement;
  - Includes assessments to measure the full range and rigor of the Iowa Core;
  - Maintains oversight and control by locally elected boards of directors;
  - Does not "repurpose" existing education funds; and
  - Does not impose new mandates unless they are fully funded.
- **12.** Supports returning to three-year school board member terms with less than a majority of the school board elected in any one year.
- **13.** Supports the development of and funding for research on best practices for early literacy strategies.

IASB supports funding for professional development and classroom intervention strategies focused on implementing best practices for early literacy in grades PK-3.

### 14. New Resolution - Support for the AEAs

Supports adequate financial support of the Area Education Agencies to provide essential services in a cost effective manner to school districts including:

- special education;
- technology;
- professional development;
- curriculum assessment; and,
- student assessment data analysis.

## 15. New Resolution – Children's Mental Health System

Supports increased statewide access to and funding for mental health services for children. Students are struggling in school and there are not adequate resources, financial and human, for necessary services. It is often unclear whose role it is to provide the services and to provide funds for programming. Neither the education nor children's mental health delivery systems have the resources to meet current needs. The legislature also needs to clarify roles and secure full funding.

#### 16. New Resolution - Broadband

Support legislative action to develop and deploy in urban, suburban, and rural communities affordable, robust, and reliable high-speed broadband internet access.

#### **FINANCE**

- **17.** Supports setting supplemental state aid (replaces the term allowable growth):
  - a) 400 days (or 14 months) prior to the certification of the school district's budget;
    - b) at the rate of 6 percent to encourage continuous school improvement and reflect the actual cost increases experienced by school districts and AEAs.

Our priority is to increase the state cost per pupil and the spending authority associated with it to build a strong base for future education resources.

- 18. Supports a school foundation formula that adequately, and in a timely manner, funds changes in demographics including socioeconomic status, remedial programming, and declining and increasing enrollment challenges.
- 19. Supports greater flexibility in the use of the management levy for those services required by law such as inspections and publication costs and legal and auditing services, including internal auditing services and staff.
- **20.** Supports greater flexibility in allowing school districts to charge fees for non-curricular related costs.
- 21. Supports the continuation of programs currently funded by the early intervention block grant program with flexibility to use those funds for other K-3 literacy programs if approved by the school board

22. New Resolution: Supports adequate and on-time funding for comprehensive foreign language students curriculum in order to promote lifelong learners in our global community.

#### **LOCAL CONTROL**

- 23. Supports legislation that provides greater flexibility for school districts to meet changing needs, become more efficient, protect natural resources and save public funds, including adoption of Home Rule.
- **24.** Supports the repeal of the mandatory school start date.
- 25. Supports offering incentives to school districts to provide extended days and/or innovative calendars. School districts receiving these incentives will evaluate and determine the impact on student learning.
- **26.** Supports the use of physical plant and equipment levy (PPEL) funds for the maintenance and repair of transportation equipment that can be purchased or financed with PPEL funds.
- 27. Supports legislation allowing school bond issues to be passed by a simple majority vote and to permit the local school board to levy a combination of property taxes and income surtaxes to pay the indebtedness.

- 28. Supports sufficient state revenues to adequately fund public education as Iowa's number one priority. IASB opposes erosion of the existing tax base. IASB supports a full accounting every two years by state government of the costs of all exemptions, credits or deductions for the income tax, sales tax or property tax. Any proposed or existing tax credit must undergo an independent cost benefit analysis.
- 29. Supports Tax Increment Financing (TIF) transparency, limitation, reform, and regulation. Reforms should limit the duration of all TIF districts, and mandate inclusion of the affected taxing bodies including school districts in discussions prior to the imposition of a TIF. TIFs are to be used for the sole purpose of stimulating development that would otherwise not occur. Expenditures from TIF revenues should not be used to pay for property tax rebates or other direct subsidies to private developers. In addition, IASB opposes residential TIFs that are not directly tied to job creation unless the impacted school districts approve.
- **30.** Opposes a constitutional amendment or statewide voter referendum that would limit taxes, spending or local control impacting education.
- **31.** Supports efforts to minimize property tax disparities that occur between school districts because of the additional levy rate in the school foundation formula.

- **32.** Supports holding school districts harmless in property tax restructuring.
- **33.** Opposes the imposition of franchise fees on school corporations.

#### **PERSONNEL**

- **34.** Supports giving school districts and AEAs the option to reduce staff to respond to reductions in funding or to comply with an arbitrator's award. School districts and AEAs should not be required to use the teacher contract termination procedures in Iowa Code section 279.13 for such staff reductions.
- **35.** Supports providing school districts with incentives and the flexibility to pay market competitive wages for shortage area positions, especially in the areas required to meet graduation and Iowa Core mandates.
- **36.** Opposes changes to labor and employment laws unless they:
  - Include adequate resources provided by the state without a shift from other education resources or significant burden on property taxpayers.
  - Balance the rights of the employees with the rights of management with scales tipped in favor of student achievement and student safety.
- 37. Support a requirement that arbitrators, prior to any imposition of an award against a school district, AEA or community college, first consider local conditions and ability to pay. After the arbitrator determines the school district, AEA

or community college has the ability to pay, the arbitrator should then consider comparability based upon similar size and geographic region.

**38.** Supports a change in state law that allows school districts to voluntarily enroll their employees in the state's health, dental and life/long-term disability insurance pools.

#### 39. New Resolution

Supports the adoption of alternative teacher licensure upon completion of research-based pedagogy training in addition to content knowledge in a curricular area.

#### **UNFUNDED MANDATES**

- **40.** Supports predictable and timely state funding to serve students receiving special education services at a level that reflects the actual cost, including educational programming and health care costs.
- 41. Supports the federal commitment to fund 40 percent of the cost of educating students receiving special education services, and requests that the federal government fulfill that commitment by increasing funding a minimum of 8 percent per year until the 40 percent figure is achieved.
- **42.** Opposes any new mandate that does not provide sufficient and sustainable funding for successful implementation and supports the repeal of existing unfunded mandates.

#### **2015 PRIORITIES**

- **3.** Iowa Core
- **5.** Transportation funding
- **6.** Preschool
- **14.** *New Resolution* Statewide Support of the AEAs
- **15.** *New Resolution* Children's Mental Health System
- 17. Supplemental State Aid

#### **2015 IASB PRIORITIES**

- **3. Iowa Core:** Supports continued progress in the development of rigorous content standards and benchmarks consistent with the Iowa Core focused on improving student achievement, including the following state actions:
  - Provide and fund technical assistance to help school districts fully implement the Iowa Core.
  - Adopt high-quality summative and formative assessments, aligned to the skills students should know and be able to do to succeed globally and locally.
  - Include and fund all the components of successful standards systems: assessments aligned to high expectations, improved and aligned instruction and quality professional development.
  - Research based professional development that provides educators with training, support and time to work together so that they can successfully teach a rigorous curriculum to all students
- **5. Transportation Funding:** Supports a funding mechanism for school districts' transportation costs that does not reduce funding for the educational program.
- **6. Preschool:** Supports an increase in funding to ensure all 4-year-olds have access to a high quality public school preschool program. The increase should include transportation and facility development costs. We should continue to allow 4-year-olds to be included in the enrollment count if those programs can demonstrate meeting the collaboration and quality standards requirements of the statewide voluntary preschool program.

- **14.** New Resolution-Statewide Support of the AEA's: Supports adequate financial support of the Area Education Agencies to provide essential services in a cost effective manner to school districts including:
  - special education;
  - technology;
  - professional development;
  - curriculum assessment; and,
  - student assessment data analysis.
- 15. New Resolution-Children's Mental Health System: Supports increased statewide access to and funding for mental health services for children. Students are struggling in school and there are not adequate resources, financial and human, for necessary services. It is often unclear whose role it is to provide the services and to provide funds for programming. Neither the education nor children's mental health delivery systems have the resources to meet current needs. The legislature also needs to clarify roles and secure full funding.
- **17. Supplemental State Aid:** Supports setting supplemental state aid (replaces the term allowable growth):
  - a) 400 days (or 14 months) prior to the certification of the school district's budget;
    - b) at the rate of 6 percent to encourage continuous school improvement and reflect the actual cost increases experienced by school districts and AEAs.

Our priority is to increase the state cost per pupil and the spending authority associated with it to build a strong base for future education resources.

#### **GOVERNANCE**

Iowa has one of the finest public educational systems in the United States. The federal government, governor, General Assembly, Iowa Department of Education, school boards, professional educators and the public should strive to keep it strong.

School districts are governed by boards that, as elected representatives, must be responsive and responsible to the citizens of the school district. Citizen involvement is the key to our representative form of government.

Local boards are, within the guidelines established by state law, vested with the authority to make the final decision on matters pertaining to a school district, Area Education Agency (AEA) or community college. Local board members, who are closely connected to students, families and the communities, in which they live, are best capable of understanding student needs and identifying effective solutions. The statutory duties and responsibilities of the local board cannot be delegated to persons who are not elected by the voters of the school district

Locally elected school boards must have control over the content and management of their educational program, including the calendar. A leadership team composed of the superintendent, principals and supervisory personnel working with the board is necessary for the efficient operation of the school district.

#### **PUBLIC EDUCATION**

Public education is the foundation of our democratic society and the key to successful futures for Iowa children. Quality public schools are the cornerstone of any sound economic development policy. The state must put public education first and provide adequate funding and support services. The state should provide full funding to public schools to meet the evolving needs of public school students before additional financial support of non-public schools is provided.

All schools that receive any public funds, including property taxes, state aid or federal monies, should be subject to the same governance and educational standards as public school districts.

#### **SCHOOL CHOICE**

Iowa law provides sufficient choice through public charter schools, open enrollment, home school assistance, post-secondary enrollment options and nonpublic school alternatives. Additional investments in or tax credits for nonpublic tuition or other options are not necessary to provide choice.

#### **SCHOOL BOARD MEMBERS**

Through original research and a close evaluation of highly effective board practices across the country, IASB recognizes the following five essential roles of effective school boards and encourages all Iowa board members to incorporate these principles in carrying out the mission of education in their communities:

- Setting Clear, High Expectations: The board sets a vision which expresses a commitment to high expectations, consistently communicates the expectations, sets clear and focused goals and focuses on improving instruction.
- Creating the Conditions that Support Successful Teaching and Learning: The board creates the conditions for success by showing commitment via board actions, resource allocations and system alignment; provides quality, researchbased professional development for educators; builds commitment and focus throughout the system and stays the course, solving problems along the way so improvements have time to work.
- Holding the System Accountable for Student Success: The board uses data and monitoring to hold the system accountable and to make decisions at the board table; identifies clear,

understandable indicators that the board will accept as evidence of progress and success; and supports and monitors progress regularly at the board table with staff leaders.

- Building Collective Will: Within the school staff and throughout the community, the board creates widespread awareness and urgency of the improvement required to meet students' needs, instills hope that it's possible to change, and connects with and engages the community in a frank and ongoing effort to encourage each facet to fulfill its responsibility.
- Learning Together as a Board/Superintendent Team: The board establishes board learning time around school improvement efforts, engages in deep conversations about the implications of learning, builds a trusting and supportive relationship with the superintendent, and leads thoughtful policy development.

#### **ELECTIONS**

Participation in the democratic process is integral to the success of schools. School districts have a responsibility for promoting more community involvement in the election process to foster better-informed citizens and greater ownership in public education. Student achievement should drive decisions that impact school elections.

In keeping with the principles of democracy, IASB is committed to the concept of each vote having equal value and a simple majority vote as sufficient to determine election or taxation decisions.

School board elections coincide with the opening of school. Due to boundary differences and to help maintain the nonpartisan status of school board elections, they should remain separate from any other election.

School board members should be elected and serve in a non-partisan manner in which decisions are based on the best interest of the school and students without regard to party affiliation.

### IOWA ASSOCIATION OF SCHOOL BOARDS

IASB is committed to statewide leadership to ensure high achievement for all Iowa students. IASB recognizes that school boards are in a strategic position to bring about continuous improvement in public education through governance, public policies and advocacy.

We believe that IASB is the organization most appropriate to deliver training and board development to school board members about their role and responsibilities to contribute to high student achievement.

#### **SCHOOL DISTRICT ORGANIZATION**

School boards, and the residents of the school districts involved, have the primary responsibility to determine the makeup and boundaries of school districts and attendance centers.

The school board and the citizens of a school district assess the quality and extent of its educational program and determine whether the school district continues to operate within its present geographical boundaries.

In order to reduce costs and maintain or enrich quality education, IASB encourages school districts to share administrators, teachers, equipment, facilities and transportation, including the scheduling of joint classes and extracurricular activities. Sharing does not necessarily lead to eventual reorganization.

IASB believes school district reorganization, dissolution or sharing may be in the best interest of Iowa's public school students when:

• The best interest of students is the most important factor considered.

- The reorganization or dissolution is voluntary—initiated and voted upon by the citizens of the school districts involved
- The state offers sufficient incentives to make the reorganization or sharing financially attractive to the school districts involved.
- Geographical issues are considered, including minimizing the amount of travel time by students and allowing for continued community participation by the communities involved.

## PUBLIC RECORDS AND OPEN MEETINGS

Every citizen has the right to examine and copy all public records. The news media may publish public records, unless the law expressly limits the right or requires public records to be kept confidential.

The schools belong to the people - the citizens and taxpayers of the school district. The public has the right to know what decisions are being made regarding the education of their young people and the expenditure of their tax dollars. School districts should have the ability to determine the method of public notice dissemination that maximizes public access to records at a minimal cost to the district.

Although it may not always be easy to publicly consider and discuss some of the tough issues confronting school boards, school boards should be responsive to the open meetings and public records policy established in state law. Compliance with the intent of the public records and open meetings law is best achieved through education, training and consistent enforcement.

#### **SCHOOL FINANCE**

IASB is committed to the principles of equity and adequacy as the foundation for school finance in Iowa. School finance decisions, whether at the local, state or federal level, should put student achievement first in all decisions. Iowa's school funding system must provide all Iowa children equal opportunity to a quality education. The funding system must address the diverse needs of all students.

An adequate funding system provides equitable, adequate, predictable and timely funding, based on these foundational principles:

Equity: Iowa should retain the concept of funding education with a student-driven formula, ensuring Iowans that the education of each student is supported equitably. The formula must provide sufficient revenue to cover the actual cost of the educational program, including on-time funding for districts experiencing increasing enrollment. The state should allow school districts with declining enrollment to maintain adequate funding so the school district can adjust operations to meet student needs. The state should work to minimize the disparity for school district property taxpayers due to variances in property valuation per pupil.

Excellence and Opportunity: School finance must provide for improved classroom instruction and promote excellence. A critical attribute of increasing the achievement of all children is the skill level of teachers and administrators in the school. Therefore, the school funding system must provide for the professional training and development of teachers and administrators, and school improvement that will maintain Iowa as a national leader in education.

**Stability:** The school funding system must continue to be a fair balance between property taxes, which are a stable and reliable revenue source, and other revenue sources. Iowa school boards are grateful for categorical funds, but encourage the state to provide resources through the funding formula to maximize local flexibility and provide growth

through an equity-based system. School districts should have spending authority for any reduction in state funding.

Efficiency: A diverse system of school finance helps schools control costs. To ensure well-managed and efficient schools, the school funding system must encourage cooperative ventures and the pooling of resources and services. The school funding system must incorporate increased costs due to inflation and other economic factors.

Local Control: State funding must support local control. Locally elected school boards should have the authority to utilize and allocate funding to best meet the needs of students. If the state decides to intervene in local education policy, any mandated changes, particularly those taking energy and focus away from real comprehensive school improvement and student achievement, must be fully funded by the state without a shift from other education resources.

#### **SCHOOL INFRASTRUCTURE**

The state has a role in funding school infrastructure to ensure Iowa students have equitable access to high-quality educational programs provided in safe, efficient, accessible, technology-ready facilities that promote student learning. Quality facilities are key to attracting and retaining a professional teaching and support staff, improving student achievement and growing Iowa's economy.

## EDUCATION'S ROLE IN ECONOMIC DEVELOPMENT

Growth focused on economic stability, wealth creation, entrepreneurship and knowledge-based enterprises is a vital objective for the state of Iowa. Our public schools contribute to the growth of Iowa's economy through the education and development of our children and by providing good jobs. And, they are often the largest employer in many Iowa communities.

A quality education system is both a key factor contributing to Iowa's quality of life and is a critical attractor of business to Iowa. While education contributes to Iowa's economy, it is also dependent upon economic growth for securing adequate financial resources to provide quality education services.

Public education and economic growth are interdependent. It is therefore imperative that Iowa invest in viable and sustainable economic development and foster partnerships between education and the private sector. The state should maximize the amount of private investment leveraged and efficiently and effectively manage resources to provide opportunities for growth throughout Iowa.

## EDUCATIONAL STANDARDS AND ACCOUNTABILITY

It is the responsibility of local school boards to ensure that all students are educated for success in a 21st-century global society. Collaboration between K-12 and post-secondary institutions should be encouraged to help increase student opportunities.

School boards must ensure that their district operates from clear, measurable student learning standards and improvement goals; adequate resources are allocated to improve instruction; and there is public accountability for improved results for students.

It is appropriate for the state to establish high and rigorous educational standards for the accreditation of public and nonpublic schools. Standards should be designed to ensure that all students have the opportunity to receive the educational program that meets their needs. The students of Iowa who attend public and nonpublic schools should receive their education instruction from licensed teachers. All public school accreditation standards must also be applied to nonpublic schools.

Data collection and reporting is necessary to improve instruction and increase student

achievement. Data collection and reporting is valuable when:

- It is possible to accurately determine student achievement gains, gaps between subgroups and level of attainment for all students;
- Purposes are clearly understood and worthy;
- Assessments are aligned with the intended purposes;
- Results are easily accessible to maximize school district use of the information to provide quality professional development and improve instruction; and,
- Results lend themselves to widespread understanding and evaluation by all school stakeholders.

The state or federal government must not use single-source data to issue sanctions, make generalizations about student performance or shift resources away from schools that require support to improve learning. Iowa school districts should have the opportunity to comply with standards using various structures and mediums, including sharing and interactive telecommunications.

IASB supports assessment systems that measure student growth for all students, also known as value-added growth or gain, to improve student outcomes by driving professional development, teacher and administrator evaluation, and school improvement decisions.

#### **EDUCATION TECHNOLOGY**

Technology is an important tool in providing a quality education. School districts must have equitable access to technology. Access includes provision of hardware and software, technological support staff and access to services such as the Iowa Communications Network (ICN) and Internet. Administration of the ICN should continue to prioritize educational access above other users. The

state has a role in ensuring equitable access to technology and should provide adequate resources to purchase technology, support school technology plans and include professional development for educators on how to use technology to improve instruction and student outcomes.

#### **EARLY CHILDHOOD**

Exposure to education in the first years of life is critical, and young children have an innate desire to learn. That desire can be supported or undermined by early experiences. Research indicates that high-quality early childhood education promotes intellectual, language, mathematical, physical, social, emotional and creative development, cultivates a child's curiosity and desire to learn, and builds a strong foundation for later academic and social success. The state plays a critical role by defining and supporting quality early childhood education programs.

#### **STUDENTS**

All students can achieve at high levels when the state, local school boards and communities provide resources and support to ensure each child's success in school. School boards must be aware of the needs of every student and provide programs within their district or by cooperating with other school districts, the area education agency, the community college or other educational agencies.

School boards are community leaders who advocate for children and work in collaboration with agencies providing services, including juvenile justice, health and human service agencies, mental health service agencies and entities offering services such as day care, dropout prevention, counseling and temporary shelter.

Parents and communities have the responsibility for ensuring their children are appropriately educated. In order to meet this responsibility, parents and community members should take an interested and

participatory role by working with the school district to meet students' needs.

Although in some instances state law may be appropriate to establish criteria, local school officials, in working with their communities, are best equipped and informed to make local decisions about maintaining safe schools. Schools must be safe for students, staff and visitors

#### **TEACHER QUALITY**

IASB believes, and research confirms, that teacher quality is the most important factor in determining a child's academic success.

It is the responsibility of the school board to ensure teachers in their district are qualified for the job they are hired to do. School boards have the authority to set high performance standards and expect demonstrated academic and instructional excellence from their teachers

It is the responsibility of the school board and the state to ensure teachers obtain the knowledge and skills they need to teach so that all children can learn. Therefore, boards need to ensure teachers, as a part of their job, continuously and collaboratively study content, instruction and the effect on students based upon identified student needs.

It is a board responsibility to expect and confirm that the district is fully implementing the Iowa Professional Development Model for the purpose of improving instruction measured by improved student achievement.

Quality teaching is essential to high achievement. In order to recruit the best and the brightest teachers into Iowa and the profession, keep the best and the brightest teachers we now have, and increase respect for the profession that most impacts our children's future, IASB strongly advocates for the authority and ability to pay teachers in an alternative manner than step and lane including market competitive wages and link

increased teacher compensation to student learning.

IASB supports research-based professional development that provides educators with the training, support and time to work together so that they can successfully teach a rigorous curriculum to all students.

## EDUCATOR PREPARATION AND LICENSURE

Preparation programs should be evaluated continually with the objective of providing training that reflects innovative and proven education methods designed to assess and maximize student achievement. Student needs must drive preparation programs.

Educators should be prepared to effectively teach the wide variety of students in Iowa classrooms. Requirements for approvals and endorsements should be based solely on the completion of state-approved education programs.

#### PERSONNEL EVALUATION

School employees must be accountable for raising student achievement. An objective evaluation of all employees, performed on a regular basis, benefits the employee and the community and assists students in obtaining a quality education.

IASB supports the right of school boards to exercise their authority to set standards of performance and establish rules of conduct for all employees. Administrators or their designees must have the authority and resources to evaluate personnel whom they supervise.

## EMPLOYEE RELATIONS AND COLLECTIVE BARGAINING

Positive labor relations enhance the ability of employees and school boards to work together for improved student achievement. Ideally,

collective bargaining should end in a voluntary settlement between parties.

School boards should be guaranteed sufficient management rights necessary to operate the school district efficiently and effectively.

The Legislature should not amend *Iowa Code* Chapter 20 in any way that undermines management authority, relative to employee rights.

The school board has the right to terminate a licensed employee's contract. The contract termination decision must be subject to review by the courts to ensure fair and impartial action, unless terminated for failure to meet licensure requirements. The school board and administration should continue to have the right to suspend an employee without pay as part of a disciplinary procedure.

Superintendents, assistant superintendents, principals, assistant principals and other school supervisory personnel, as well as confidential employees, should continue to be excluded from coverage under the Iowa Public Employment Relations Act.

A school district's ability to fund its collective bargaining proposal should be the arbitrator's primary consideration. Arbitrators should demonstrate knowledge of Iowa's educational funding formula.

The results of collective bargaining should be to:

- Advance excellence and equity in public education with the outcome of improved student achievement for all.
- Reflect sound research and proven best practices with a demonstrated positive impact on improving student achievement.
- Promote accountability by all for improved student outcomes.
- Include a regular evaluation of the impact of changes on student achievement.

• Preserve the constitutionally protected due process rights of school boards.

#### **BENEFITS**

It is important to establish employee benefits necessary to attract and retain qualified employees. Benefits paid and contribution rates should maintain the actuarial soundness and affordability of employee benefit programs.

Unemployment compensation benefits should be reserved for those who experience sudden and unexpected job loss. It should not be extended between academic terms to employees who have contracts for less than 12 months or who have reasonable assurance of continued employment. Substitute employees should not be eligible for unemployment compensation.

School district employees whose employment is terminated because of a reduction or realignment of staff, or for other reasons that would qualify them for unemployment compensation benefits, should be eligible to receive such benefits on the same basis as employees in private sector employment.

#### **DEPARTMENT OF EDUCATION**

A State Board of Education, made up of laypersons, determines and adopts necessary rules and regulations for the proper enforcement and execution of the provisions of school laws, and adopts and prescribes standards for carrying out the provisions of the school laws. The State Board of Education must seek advice and counsel from a broad range of citizens and educational organizations in the formulation of rules and policies.

The Department of Education (DE) plays a significant role in leading school improvement efforts and supporting school districts, AEAs and community colleges. The DE should cooperate with IASB, AEAs, community colleges, the federal government and state to

streamline requests for information to avoid duplication.

The DE should consider other student achievement measures, such as value-added or growth measures, for all students, in defining and negotiating the Iowa plan for school district compliance with federal NCLB requirements.

By its very nature, the DE is a state regulatory agency; however, Congress and the General Assembly should carefully consider the number and size of the regulatory tasks assigned to the DE and financially support the tasks assigned, including the provision of adequate staff.

#### **AREA EDUCATION AGENCIES**

Area education agencies (AEAs) are established to provide school districts with specified services in special education, media and other educational areas. Apart from special education, the Legislature and the Department of Education must not require these agencies to perform services that are regulatory in nature.

School improvement is a key strategy to meeting economic, political and societal needs. AEA assistance to local schools in the areas of emerging technology, professional development and curriculum assessment is of vital importance to assist schools with the mandates of the federal No Child Left Behind Act.

AEAs must retain their primary function as support agencies for local school districts, including developing and delivering services and programs to support local school improvement plans.

The governance structure of AEAs must continue to be tied closely to K-12 public school districts with students who receive the benefits of AEA services. AEAs should not be merged with community colleges. Directors of K-12 schools boards should continue to elect AEA directors.

AEAs should be assured of equitable, consistent and timely funding and receive adequate funding for mandated programs and services.

#### **COMMUNITY COLLEGES**

The Iowa Association of School Boards acknowledges the Community Colleges legislative platform including:

- Supports funding state general aid at \$218.95 million, which reflects the calculation under the formula adopted by the State Board of Education on a base of \$201.3 million;
- Supports a state commitment for building capacity for skilled worker training through the Iowa Skilled Worker and Job Creation Fund, in the Workforce Training and Economic Development Fund, Gap Tuition Assistance, Work-based Learning Intermediaries, PACE Career Pathways, Adult Literacy Programs, and through the Workforce Development Fund programming;
- Supports a state commitment to workforce training infrastructure, including but not limited to Accelerated Career Education capital projects, for worker training program related infrastructure and other major and equipment maintenance needs.
- Supports the expansion of K12 general and career technical educational opportunities;
- Supports the 15 locally elected Community Colleges Board's ability to reduce the costs of renewing long time voter supported levies that maintain and expand educational and worker training programming; and
- Supports the 15 locally elected Community College Boards' local governance flexibility to access local tax support in its discretion to meet the needs of their local communities and local business worker training.

#### **URBAN EDUCATION NETWORK**

•Funding Adequacy 6% State Percent of Growth: In order to fulfill the goal of regaining Iowa's first in the nation education status and delivering world-class schools, the UEN supports the provision of adequate funding, which we know, spent wisely, will

prepare our students for success. The UEN supports a goal to get Iowa's investment in education to the national average, currently \$1,657 per pupil above Iowa's level of expenditure, beginning with a commitment of no lower than 6 percent annually for a minimum of three years. Funding for the 2015-16 school year must be determined ASAP as the 2015 Session convenes. Funding for the 2016-17 school year must be set within 30days of the governor's budget announcement in the 2015 Session, according to Iowa law.

 Student Mental Health Services: UEN acknowledges that mental health needs are increasing, yet the delivery systems of education for students with mental health challenges as well as services to meet mental health needs both in and out of school are experiencing funding and regulatory challenges. UEN supports access to mental health services for students and clarity of funding sources and funding responsibilities, particularly for students costly to educate, such as those in residential facilities. UEN encourages state support for mental health services through either the education system (weighting for students with mental health challenges without special education distinction or funding which parallels the process for state juvenile home educational expenses) and/or early childhood, human services/juvenile justice appropriations when appropriate.

•Extend State Penny Sales Tax with Repeal of the Sunset: UEN supports eliminating the sunset permanently, allowing districts and taxpayers to enable long-term planning and access to a full 20 years of sales tax capacity to avoid a resurgence of property tax bond issues. State penny expenditures must remain restricted as exists in current law (construction, repair, technology, equipment, buses, etc.) and as approved by voters in 99 counties, including property tax relief.

• Childhood Poverty / At-risk Student Weighting: UEN supports revisions to the foundation formula to support students from low-income families and students at-risk of dropping out. Funding should reflect student need and districts should have authority to identify students and flexibly administer funds.

Formula Equity: UEN supports promoting both student and taxpayer equity in the school foundation formula, including equalizing the district cost per pupil and providing tax equity to property poor districts within the formula and other property-tax supported levies.4 Associate Members: Cedar Falls/College/Fort Dodge/Linn-Mar/Marshalltown/Mason.

#### C: Iowa Core

Supports continued progress in the development of rigorous content standards and benchmarks consistent with the lowa Core focused on improving student achievement, including the following state actions:

- Provide and fund technical assistance to help school districts fully implement the lowa Core.
- Adopt high-quality summative and formative assessments, aligned to the skills students should know and be able to do to succeed globally and locally.
- Include and fund all the components of successful standards systems: assessments aligned to high expectations, improved and aligned instruction and quality professional development.
- Research based professional development that provides educators with training, support and time to work together so that they can successfully teach a rigorous curriculum to all students.

#### URBANDALE COMMUNITY SCHOOL DISTRICT

# BOARD OF DIRECTORS' MEETING MONDAY, JUNE 15, 2015 BOARD MEETING – 5:30 P.M. URBANDALE HIGH SCHOOL – 7111 AURORA AVENUE CHRIS GUNNARE, PRESIDENT

#### **AGENDA**

#### Call to Order and Roll Call

President Chris Gunnare called the board meeting to order at 5:32 P.M. Upon roll call, the following members were present: Directors Aaron Applegate, Mark Wierson, Adam Obrecht and President Gunnare. Vice President Cate Newberg arrived later and Directors Graham Giles and Kyle Kruidenier were absent.

#### Approval of Agenda

Director Wierson moved, and Director Applegate seconded the motion to approve the agenda, amended to allow for a change in order of the topics later in the meeting, such as Discussion of Other Matters, so that the public hearing is held at 7 PM or later as was published. Motion passed with all ayes 4-0.

#### Communication from the Public

John Hollabrands, 4217 86<sup>th</sup> Street, questioned whether the upcoming meeting agendas are being posted to the website in a timely manner. He also mentioned that tonight was Dr. Doug Stilwell's final meeting with the Board of Directors before his official retirement on June 30, and Mr. Hollabrands expressed his appreciation to him for excellent leadership as Superintendent.

#### Report of the Superintendent of Schools

A. Approval to Publish Hearing Notice and Bidding Process on the Karen Acres Project Jim Huse, architect with DLR Group updated the Board of Directors on soil testing at the Karen Acres Site, and presented the documents for a public hearing and bidding process for the project. Vice President Newberg moved, and Director Applegate seconded the motion to approve the publication of the hearing notice and bidding procedures for the Karen Acres Elementary School addition and renovation project. Motion passed with all ayes 5-0.

#### B. Building End of Year Reports

Building Principals submitted their end of the year reports and were available to answer questions as the Board reviewed them.

#### C. Activities Report

Dr. William Watson, Activities and Community Education Director, provided an overview of the District's Activities program and goals for the future. He reported that there were 1200 participants in 26 activities programs at the high school, and more than 130 individuals work in a coaching or directing capacity. Dr. Watson also updated the Board about the Community Education Program, completing its third year. Goals for the future include the addition of intramural sports, along with expanded course offerings and Parent University.

#### D. Busing

Shelly Clifford, Chief Financial Officer, submitted school bus transportation costs and charter bus costs for non-route student transportation as requested. The Board discussed the possibility of setting policy on when charters are to be used instead of transportation via school buses for non-route student activities trips.

#### E. Special Education

Shelly Clifford, Chief Financial Officer, presented information on Special Education Program costs, as requested by the Board of Directors. Ms. Clifford, along with Jason Volmer, Coordinator of Special Education, and Maggie Lichtenberg, Human Resources Manager, conducted a review to verify labor costs. Ms. Clifford also reviewed teacher associate comparisons by fiscal year for total hours worked. An accounting error involving one staff member had already been corrected at the time of reporting, and Ms. Clifford's summary of findings indicated that no other material discrepancies were found. She concluded that the expenses shown on the District's Special Education Report were correct as certified in September 2014. There was no further discussion, nor any further requests by the Board on this topic.

#### F. Open Items

The Board discussed the possibility of identifying topics to be addressed at future meetings.

#### G. Accomplishments

Dr. Doug Stilwell, Superintendent, will retire on June 30, 2015. He shared a list of District accomplishments during his 10 years with Urbandale Schools, categorized according to several strategic plan initiatives.

#### **Consent Agenda Items**

- A. Approval of Monday, June 1, 2015 Board Meeting Minutes
- B. Approval of Open Enrollment
- C. Approval of Personnel Report
- D. Approval of Synergy Dance Choreography Contract 2015-2016

- H. Approval of Contract with Gaggle Safety Management

- I. Approval of JuiceBox Agreement Website Code Repair Costs
- J. Approval of Secondary Internet Connection Contract with Mediacom
- K. Acceptance of Financial reports for May
- L. Authorization to Pay Bills

Director Applegate moved, and Director Wierson seconded the motion to approve the consent agenda items A through L as submitted. Motion passed with all ayes 7-0.

#### **Report of the President**

Dena Soenke, Communications Partner, and Superintendent Stilwell, presented a draft of a proposed District poster, highlighting District programs and strengths.

#### **Public Hearing - Instruction Support Levy**

At the designated time, Vice President Newberg announced the start of a public hearing on continuance of the District's Instructional Support Levy. No persons from the public came forward to comment, and the hearing was closed.

#### Continuance of the Instructional Support Levy

Director Wierson introduced a resolution to continue the District's Instructional Support Levy for a period of five years at an amount not to exceed 10% of regular program cost, and moved for its approval. Director Obrecht seconded the motion, and at roll call vote the measure was unanimously approved with all ayes 4-0.

#### **Discussion of Other Matters**

Dr. Stilwell stated that it had been his pleasure to serve as Superintendent at Urbandale and communicated his best wishes for the Board and District staff members.

#### Adjourn

Director Wierson moved, and Director Applegate seconded the motion to adjourn the meeting. Motion passed with all ayes 4-0.

#### Lease Terms Section B

# City of Urbandale and Urbandale Community School District for use of Urbandale Public Swimming Pool

#### BASIC LEASE TERMS -- Customized for this Lessee:

**B.1** Payment Due to City. In consideration for the use of the Premises, District will provide the City with the sum of \$30 per hour the District is scheduled to use the pool. In addition, if a lifeguard is required by the City, an additional cost of \$30 per hour per lifeguard will be applied. (Note: City provided lifeguard(s) are dependent upon staff availability.)

The City and Lessee will verify and agree to the final usage schedule by the Lessee and corresponding payment amount due by June 10, 2016. This payment shall be submitted by Lessee to City in one installment, due on or before June 30, 2016.

**B.2** City Responsibilities for Maintenance of the Premises. The City shall supply water and electrical service to the Premises. The City shall be responsible for all maintenance and repairs to the water and electrical services except as due to negligence of the District.

The City will allow the District use of equipment such as kickboards, barbells, etc. without additional charge, except for replacement or repair costs charged due to negligence on behalf of the District.

- **B.3** Lessee Responsibilities for the Premises. The District shall be responsible for:
  - B.3.1 Set-up and remove lane ropes, bulkhead, etc.;
  - B.3.2 Complete a walkthrough of the swimming pool deck and locker room areas after usage, putting away equipment, picking up lost and found articles and trash, turning off showers, ensuring all students are out of the facility, and turning off lights and locking up the building if applicable;
  - B. 3.3 Enforce the all pool rules;
  - B.3.4 Replace all equipment to its original position. This includes, but is not limited to: lap lanes, bleachers, guard stands, office area, bulkhead, ladders, equipment, steps, lobby area, furniture;

- B.3.5 Provide Aquatic Programmer/Scheduler with a daily count of swimmer usage daily, by recording the numbers on a clipboard located outside of the pool office;
- B.3.6 The District will provide sufficient, approved, certified staff to supervise classes, practices and other events as required by lowa law at 641 lowa Administrative Code section 15.4(4) Safety d.(4)

"For a structured swimming program, such as lap swim, competitive swimming, water exercise classes, swim lessons and physical exercise classes, a lifeguard is not required provided the program is supervised by an instructor, teacher, or coach who is a lifeguard or who has current certification from the American Red Cross in basic water rescue, first aid, and infant, child and adult CPR, or equivalent training approved by the department. An instructor, teacher or coach may be responsible for a maximum of 30 persons within a structured activity. If more than 30 persons are involved in a structured activity, a second qualified supervisor must be present."

Copies of certifications must be provided to the Aquatics Programmer/Scheduler for Iowa Code recordkeeping. A complete list of teacher/coaches and a copy of the up-to-date certifications are required no later than August 27, 2015 (one week prior to the start of this lease).

Note: If the District is not able to provide a staff person with appropriate certifications, a request for a City provided lifeguard must be made to the Aquatic Programmer/ Scheduler a minimum of two weeks in advance. City provided lifeguard is dependent upon staff availability.

B.3.7 Keys to the facility will be provided to the District staff needing access.

#### Lease Terms Section C

#### CONSISTENT LEASE TERMS – Standardized for Annual Park Lease Agreements:

- **C.1 Assignment.** This Lease shall not be assigned except with mutual consent of the City and the Lessee.
- **C.2** Amendments. This Lease may be amended only by a written instrument approved by the City and by the Lessee.
- C.3 Indemnification and Insurance.
  - C.3.1 Liability Insurance. Both the City and the Lessee shall carry comprehensive general liability insurance for protection of the City and the Lessee from any liability arising out of any accidents or other occurrence causing any injury and/or damage to any person or property on the Premises due directly or indirectly to the use or occupancy thereof by the insured, or any person claiming through or under the insured. Liability policies shall have limits of not less than \$1 Million per occurrence and \$2 Million annual aggregate, which limit can be met with a combination of primary and umbrella policies.
  - C.3.2 Lessee to Provide Certificates of Insurance to the City. At least one (1) week before the beginning term date of the lease, the Lessee shall provide its current Certificate of Insurance to the Parks and Recreation Department in the type and amount required under the preceding Liability Insurance subparagraph of this Agreement, and the Certificate of Insurance shall name the City of Urbandale as an "Additional Insured". The Certificate of Insurance shall remain current for the entire term of the lease; failure by the Lessee to provide the required Certificate of Insurance before the beginning term date of the lease will delay or terminate the Lessee's use of the leased Premises.
  - C.3.3 Lessee Indemnification of the City. To the extent permitted by law, the Lessee will protect, defend, hold harmless, and indemnify the City from and against any and all losses, costs, damages and expenses, including reasonable attorney's fees and expenses, occasioned by, or arising out of, any accident or other occurrence, causing or inflicting injury or damage to any person or property, happening or done upon the Premises, due directly or indirectly to the use of the Premises or the use of any and all equipment owned by the City, or any part thereof by the Lessee or any person claiming through or under the Lessee, or due to a defect in the Improvements for which the Lessee is responsible. Provided, however, the Lessee shall not be responsible for any defect in the Improvements caused by the City or by any user when not being utilized by the Lessee. The provisions of this subparagraph Lessee Indemnification of the City, shall survive termination of this Lease with respect to any damage or injury occurring prior to such termination.

- **C.5 Notice of Default.** This Lease may be terminated by either party if the other fails to perform its obligations under this Lease; provided, that the defaulting party shall be given written notice of any default and shall have ten (10) calendar days to correct any default after receipt of the notice.
- **C.6** Resolution of Disputes. In the event there is a dispute regarding the implementation of the Lease, the Urbandale City Council shall be the final authority to resolve the dispute.
- **C.7 Termination.** This Lease may be terminated by mutual written agreement, with a 30 day prior notice. In the event of destruction or damage such that the Lessee is not able to use the Premises for all or a portion of the season, the City and/or the Lessee may immediately terminate this Lease.
- **C.8 Severability.** If any clause, provision or section of this Lease shall, for any reason, be held illegal or invalid by any court, the illegality or invalidity of such clause, provision or section shall not affect any of the remaining clauses, provisions or sections, and this Lease shall be construed and enforced as if such illegal or invalid clause, provision or section had not been contained herein.

#### **BOARD MEETING AGENDA**

#### AGREEMENT FOR CROWD MANAGEMENT SERVICES AGREEMENT FOR CROWD MANAGEMENT SERVICES FOR THE URBANDALE COMMUNITY SCHOOL DISTRICT

This Agreement is made and entered into by and between the URBANDALE COMMUNITY SCHOOL DISTRICT ("MANAGER"), and CONTEMPORARY SERVICES CORPORATION, ("CONTRACTOR").

MANAGER has determined that it is reasonably necessary and appropriate to engage the services of a firm to provide certain crowd management services ("Services") required at various sports and entertainment events ("Events") at various Urbandale Community School District locations as requested by MANAGER (each individual location a "Job Site"). In rendering these services, CONTRACTOR shall exercise the ordinary standard of care expected in the crowd management services industry.

NOW, THEREFORE, MANAGER and CONTRACTOR mutually agree as follows:

#### 1. CONTRACTOR'S SERVICES

CONTRACTOR shall have the sole and exclusive right to provide the crowd management services, as determined necessary by MANAGER, for Events at the Job Site(s) and such other locations as may from time to time be designated in writing. This agreement shall in no way interfere, interrupt or disturb actions conducted within the Job Site by state, federal or local police agencies. Nothing in this Agreement shall prevent the MANAGER from hiring law enforcement agencies for provision of crowd control at Events at the Job Sites in addition to the use of CONTRACTOR or for hiring law enforcement exclusively for Events as MANAGER deems advisable.

#### 2. STAFF LEVELS

- At least one (1) week prior to the first day of an Event for which Services will be necessary, MANAGER shall provide to CONTRACTOR a written job order that includes the number and classifications of personnel requested and the time periods for which they will be needed. If MANAGER does not provide such timely notice, CONTRACTOR shall make best efforts to provide the requested personnel for the Event; however, CONTRACTOR's inability to do so shall not be a breach of this Agreement.
- Staffing levels and specific posts will be determined by MANAGER following consultation with B. CONTRACTOR. MANAGER shall have the final decision as to the number of CONTRACTOR's personnel to be used and the deployment (i.e., placement at the Job Site). MANAGER agrees that for all requests for CONTRACTOR personnel at least one Supervisor shall be ordered and such Supervisor shall act as the Event Coordinator where the personnel request is for less than ten (10) personnel. Supervisors shall not supervise a group of personnel in excess of ten (10) CONTRACTOR personnel, so for Events where more than ten (10) CONTRACTOR personnel will be required, additional supervisors shall be ordered to ensure that no Supervisor will be required to supervise more than Ten (10) Contractor personnel. The Supervisors shall not be assigned or included in the fixed postposition order.

#### 3. SUPERVISION AND AUTHORITY

- In order for CONTRACTOR to be effective in the delivery of Services, CONTRACTOR must A. manage and supervise its employees. Therefore, CONTRACTOR shall be accountable for the direct supervision of MANAGER shall make all requests regarding deployment, positioning, post assignments and its employees. conduct through CONTRACTOR's Lead Supervisor at the Event in question. The Lead Supervisor for each Event will be accountable for the satisfaction of such requests to the extent that such requests are consistent with Job Site policies, this Agreement and local, state and federal laws.
- If at any time MANAGER feels that any employee of CONTRACTOR is not satisfactory, MANAGER shall notify CONTRACTOR of the reasons for its dissatisfaction with such employee verbally and in CONTRACTOR shall attempt to promptly correct the employee's conduct to the satisfaction of MANAGER. If the employee continues to be unsatisfactory to MANAGER, or if the initial conduct was so egregious as to warrant dismissal, MANAGER may demand that CONTRACTOR cease using said employee at all Job Sites. CONTRACTOR shall promptly comply with such request. MANAGER agrees that any requests pursuant to this paragraph shall not be based upon unlawful discrimination in regards to an employee's race, religion, national origin, age, gender, sexual orientation, gender identity or disability.

2015 2016 Urbandale Community School District Agreement Revised 04/22/2015		Des Moines, IA	Branch
Initial: MANAGER:, CONTRACTOR:	Page 1 of 8		

#### 4. EVENT STAFF RESPONSIBILITIES

CONTRACTOR's personnel shall be responsible for the carrying out of the written Job Site rules, regulations and policies applicable to CONTRACTOR and issued by MANAGER to CONTRACTOR. CONTRACTOR's personnel shall work with and assist the proper local authorities when necessary and appear in court and other proceedings as becomes necessary. MANAGER shall pay the hourly rate of any such CONTRACTOR personnel that attend such proceedings on behalf of or at the request of MANAGER or the proper local authorities, but only if such attendance is required in connection with an Event at the Job Site and if such proceeding does not involve CONTRACTOR liability.

#### 5. EVENT REPORTING TIMES

CONTRACTOR requires time prior to an Event for the briefing and distribution of employees at the Job Site. The following reporting time requirements shall be used:

- a. Where the number of employees ordered is ten (10) or fewer, the reporting time shall be fifteen minutes prior to the time designated by MANAGER for services to begin.
- b. Where the number of employees ordered is more than ten (10) but less than fifty-one (51), the reporting time shall be thirty (30) minutes prior to the time designated by MANAGER for services to begin.
- c. Where the number of employees order is fifty-one (51) or more, the reporting time shall be forty-five (45) minutes prior to the time designated by MANAGER for services to begin.

#### 6. PAYMENTS AND TERMS

- A. Payment for any Services rendered by CONTRACTOR to MANAGER under this Agreement shall be due and payable no later than thirty-five (35) days from the date that an Invoice for Services is received by MANAGER. An invoice shall be mailed to MANAGER within seven (7) working days after the Services were provided at an Event covered under this Agreement. In no event shall the failure of CONTRACTOR to present a written invoice within seven (7) days of any given Event negate the responsibility of MANAGER to make payment for the Services within the thirty-five (35) day period.
  - B. All payments made by MANAGER to CONTRACTOR should be remitted as follows:

If by mail to: Contemporary Services Corporation

PO Box 511282

Los Angeles, CA 90051-7837

If Via overnight/Fed Ex to: US Bank c/o lockbox 511282

Attn: Wholesale Lockbox 16420 Valley View Avenue La Mirada, CA 90638

- C. If payment is not timely made as provided for above, MANAGER shall pay all collection expenses, including reasonable costs and attorney's fees, regardless of whether or not suit is filed. If payment is not received within thirty-five (35) days of the receipt of an invoice, MANAGER shall pay one and one-half percent (1½%) per month interest as a finance charge on any and all late payments, with such finance charges being added to each subsequent statement.
- D. If Services or personnel requested of CONTRACTOR by MANAGER are cancelled, any and all payments to be made to CONTRACTOR pursuant to Paragraph 7 (G) of this Agreement shall be made pursuant to the above Paragraphs 6 (A) and (B) as if such personnel worked on the date of such Event. If the Event was cancelled, such Services shall be subject to payment by MANAGER as set forth in Paragraphs 6 (A) and (B) above as if the Event was in fact held on the scheduled date.

#### 7. COMPENSATION

A. MANAGER shall pay at the following rates, plus any applicable sales taxes on such services, per employee-hour, with a minimum of four (4) hours per employee (if an employee works in excess of four (4) hours, MANAGER shall pay in fifteen (15) minute increments):

2015 2016 Urbandale Community School District Agreement Revised 04/22/2015		Des Moines, IA Branch
Initial: MANAGER:, CONTRACTOR:	Page 2 of 8	

Event Staff \$17.51 Supervisors \$21.63 Event Manager \$27.00

Any applicable sales taxes on such services shall be added to the above rates as applicable and shall be set forth in the invoice presented by the CONTRACTOR to the MANAGER.

- B. If State, Federal, local city or county Minimum Wage Standards, applicable Living Wages, governmentally mandated health benefits payments or related levies or taxes or the like are increased or levied, as the case may be, against CONTRACTOR during this Agreement, the rates paid to CONTRACTOR by MANAGER shall be adjusted by any such increase, levy, payments or taxes, times 1.4 to reflect the increase in minimum wages and/or related benefits payments, levies or taxes.
- C. If MANAGER requests a specific CONTRACTOR employee or specifies certain acceptable employees who may work an Event or position, MANAGER shall pay the base rate by classification for such employee (e.g., a Supervisor being positioned at a non-Supervisor spot).
- D. MANAGER shall pay one and one-half (1-1/2) times the rates for all services provided on the following holidays (except as noted, holidays shall be celebrated on the day observed by the Federal Government):

New Year's Day (January 1)Labor DayMartin Luther King's BirthdayThanksgiving DayEaster SundayChristmas Eve

Memorial Day Christmas Day (December 25)

Independence Day (July 4) New Year's Eve

- E. If a CONTRACTOR employee works more than forty (40) hours per week for Events covered by this Agreement, the overtime hours shall be paid by MANAGER at one and one half (1 1/2) times the rates or as otherwise required by applicable law.
- F. If MANAGER provides CONTRACTOR with less than seventy-two (72) hours notice of personnel requests, MANAGER shall pay one and one-half (1 1/2) times the rates for such requests. If MANAGER provides CONTRACTOR with less than twenty-four (24) hours notice of personnel requests, MANAGER shall pay two (2) times the rates for such requests.
- G. If MANAGER cancels any or all of its personnel requests less than twenty four (24) hours prior to Event reporting time, CONTRACTOR will use its best efforts to cancel such requests, but in the event that CONTRACTOR is unable to reach all personnel requested, MANAGER shall pay, in addition to sums due for services actually provided, at the regular rate for each canceled employee who cannot be reached by CONTRACTOR as if such employee had worked four (4) hours.

#### 8. UNIFORMS AND EQUIPMENT

- A. CONTRACTOR'S normal uniform for personnel shall be black slacks and a yellow windbreaker, nylon jacket or golf shirt with the words "Event Staff" printed on the back and the CONTRACTOR's logo and an identifying number on the front. Supervisors' normal attire shall be a shirt or jacket of a different color than other personnel and shall have the word "Supervisor" on the front.
- B. If MANAGER requests that CONTRACTOR utilize metal detection wands, MANAGER agrees that the effectiveness of metal detecting wand procedures is that of a visual deterrent in attempting to screen out prohibited metal objects from being brought into the Job Site. CONTRACTOR agrees to implement the requested services so as to maximize the effectiveness as intended. However, CONTRACTOR does not represent that the use of the metal detection wands shall be completely effective against any and all contraband. If CONTRACTOR provides metal detecting wand devices for an Event, there shall be a rental charge of Twenty-Five and 00/100 dollars (\$25.00) per device per Event day. If CONTRACTOR provides two-way radios for an Event, there shall be a rental charge of Fifteen and 00/100 dollars (\$15.00) per radio device per Event day. Any other equipment or supplies

2015 2016 Urbandale Community School District Agreement Revised 04/22/2015		Des Moines, IA	Branch
Initial: MANAGER:, CONTRACTOR:	Page 3 of 8		

MANAGER desires shall be provided by MANAGER or may be purchased or rented by CONTRACTOR with MANAGER providing reimbursement for the cost of the supplies and any related labor cost.

- C. MANAGER shall supply CONTRACTOR with a suitable check-in area for employee roll call, and locked storage area for the exclusive use of CONTRACTOR and its employees.
- D. CONTRACTOR's personnel shall be provided parking at the Job Site, or off-Job Site parking with a shuttle service to the Job Site, at no cost to CONTRACTOR or its personnel.

#### 9. EMPLOYMENT OFFERINGS

MANAGER understands the time and expense CONTRACTOR incurs to recruit and train employees and MANAGER, therefore, agrees not to solicit, offer to hire, or hire, CONTRACTOR's employees (defined as anyone employed by CONTRACTOR during this Agreement or within one (1) year prior to such solicitation, offering or hiring, whichever is longer) either during the term of this Agreement or for a period of one (1) year thereafter, without first obtaining the written consent of CONTRACTOR. The parties agree that it would be difficult and impractical to calculate the damage sustained by CONTRACTOR and its operations as a result of violation of this paragraph. Therefore, should MANAGER violate this paragraph, MANAGER agrees to pay twenty (20) percent of the employee's expected first year's gross earnings from MANAGER or five thousand dollars (\$5000.00), whichever is greater, and the reasonable costs and attorney's fees to collect those liquidated damages regardless of whether or not suit is filed.

#### 10. BUSINESS OFFERINGS

MANAGER fully understands the time and expense CONTRACTOR incurs to recruit and train personnel and MANAGER, therefore, agrees not to assist or encourage any of CONTRACTOR's employees (as defined in section 9 above) to start up a business which would provide similar services to MANAGER or to retain or hire any such businesses during the term of this Agreement or for a period of one (1) year thereafter.

#### 11. PERMITS

CONTRACTOR and its officers, agents and employees shall obtain and maintain all permits and licenses necessary for CONTRACTOR's performance hereunder at CONTRACTOR's cost.

#### 12. INSURANCE

#### A. General Conditions

During this Agreement, without limiting or broadening CONTRACTOR's indemnification obligations, CONTRACTOR shall provide and maintain, at its expense, insurance coverage as follows:

- i. Worker's Compensation Insurance as required by applicable federal and state law, including Employer's Liability insurance with a limit of One Million Dollars (\$1,000,000.00).
- ii. Comprehensive General Liability insurance with limits of at least One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) aggregate. The policy shall include coverage of bodily injury, broad form property damage (including completed operations), personal injury (including coverage for contractual and employee acts), and blanket contractual and products coverage.
- iii. Comprehensive Automobile Liability insurance with a limit for bodily injury and property damage of not less than One Million Dollars (\$1,000,000.00) per occurrence with respect to CONTRACTOR's owned, hired or non-owned vehicles.

#### B. Additional CONTRACTOR Conditions

i. CONTRACTOR shall utilize forms and insurers reasonably acceptable to MANAGER, which approval shall not be unreasonably withheld.

Initial: MANAGER:, CONTRACTOR:	Page 4 of 8		

#### ii. Authorized Brokers and Carriers

All required policies of insurance shall be written with carriers authorized to conduct business in the state where services are performed.

#### iii. Evidence of Insurance

CONTRACTOR shall submit to MANAGER a certificate of insurance upon execution of this Agreement by both parties hereto as evidence that all required insurance policies, conditions and limits are in full force and effect and that MANAGER shall be notified if any changes of consequence to the required coverage occur.

#### iv. Aggregate Limits/Blanket Coverage

If any of the required insurance coverage contains aggregate limits that apply to other operations of CONTRACTOR not related to this Agreement, CONTRACTOR shall take steps to notify MANAGER of the exhaustion of such aggregate limits.

#### C. Indemnification

i. CONTRACTOR shall indemnify, defend and hold harmless MANAGER, and its affiliates, agents, directors, officers and employees (collectively the "Indemnified Parties") from and against any liability, cost or expense, including reasonable attorney's fees, arising out of or associated with any claim for damages and/or personal injury, including death therefrom, to any person, or property damage or loss (collectively "Claims"), arising out of the negligent conduct or willful misconduct of CONTRACTOR or its employees in the course of CONTRACTOR's performance under this Agreement. CONTRACTOR shall not indemnify, defend or hold harmless the Indemnified Parties from and against any liability, cost or expense arising out of the negligence or willful misconduct of the Indemnified Parties or the independent acts of third parties not affiliated with CONTRACTOR. Nor shall the foregoing duty of CONTRACTOR to indemnify apply to the following: the physical condition of any premises; the sale of food and/or beverages; the maintenance, service, or inspection of mechanical equipment of any nature, except for equipment provided by CONTRACTOR; any response or lack of response by agencies contacted by the Indemnified Parties or CONTRACTOR; first aid treatment; incidents occurring outside CONTRACTOR's designated area of coverage; the number or placement of CONTRACTOR'S personnel; the actions of Indemnified Parties' personnel or other subcontractors; any emergency plan or order for the carrying out of same. Nothing in this paragraph shall be interpreted to relieve the CONTRACTOR of its obligations to a third party or to indemnify MANAGER in the event that a court finds both parties liable for injuries to a third party and assigns a percentage of "fault" to CONTRACTOR.

ii. MANAGER shall indemnify, defend and hold harmless CONTRACTOR, its affiliates, agents, directors, officers and employees from and against any liability, cost or expense, including reasonable attorney's fees, arising out of or associated with any claim for damages and/or personal injury, including death there from, to any person, or property damage or loss, arising out of: the negligent conduct or willful misconduct of MANAGER or its partners, officers, employees, affiliates and agents in the course of performance of this Agreement; MANAGER's exercising of its discretion as to the number of CONTRACTOR's personnel; the physical condition of any premises; the sale of food and/or beverages; and, the maintenance, service, or inspection of mechanical equipment of any nature, except for equipment provided by CONTRACTOR. MANAGER shall not indemnify, defend or hold harmless CONTRACTOR, its agents, officers or employees from and against any liability, cost or expense arising out of the negligence or willful misconduct of CONTRACTOR, its agents, officers or employees. Nothing in this paragraph shall be interpreted to relieve the MANAGER of its obligations to a third party or to indemnify CONTRACTOR in the event that a court finds both parties liable for injuries to a third party and assigns a percentage of "fault" to MANAGER.

#### 13. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Agreement so as to prevent any lien or other claim under any provision of law from arising against any of MANAGER's property and against CONTRACTOR's rights to payments hereunder. CONTRACTOR shall pay all amounts due under the applicable Unemployment Insurance Act with respect to such labor. CONTRACTOR shall immediately perform all necessary steps to pay and discharge any lien against any of the aforementioned property.

#### 14. INDEPENDENT CONTRACTOR STATUS

This Agreement is not intended and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association as between MANAGER and CONTRACTOR. All CONTRACTOR personnel furnishing services pursuant to this Agreement are for all purposes, including Worker's Compensation liability, employees solely of CONTRACTOR and not of MANAGER.

#### 15. PROHIBITION AGAINST ASSIGNMENT OR DELEGATION

This Agreement shall bind and benefit the parties and their respective heirs, representatives, successors and assigns. However, this Agreement shall not be assigned or otherwise transferred by either party hereunder without the prior written consent of the other party, whose consent may not be unreasonably withheld.

#### 16. NOTICES

Any notice or other communication given hereunder or in connection herewith shall be sufficiently given if in writing and (a) sent by certified mail or overnight courier, postage or delivery costs prepaid and return receipt requested, (b) sent by facsimile transmission, or (c) delivered personally, to the parties hereto at the following addresses or to such addresses as the parties may from time to time provide in accordance herewith:

MANAGER: Urbandale Community School District

7111 Aurora Avenue Urbandale, IA 50322 Attn: William R. Watson

CONTRACTOR: Contemporary Services Corporation

17101 Superior Street Northridge, California 91325 Attn: Legal Department

Such notice shall be deemed given on the date on which personally served or, if by mail, on the third (3rd) day after being posted or on the date of actual receipt, whichever is earlier, or if by facsimile transaction with confirmation of receipt, one (1) business day after sent or the time of actual receipt, whichever is earlier.

#### 17. TERM AND TERMINATION

- A. The term of this Agreement shall commence at the beginning of the day on July 1, 2015 and terminate at the end of the day on June 30, 2016. Upon written notification thirty (30) days prior to the expiration of the initial term or any renewal term hereafter, MANAGER may exercise an option to extend this Agreement for a total of two (2), one-year periods with all conditions of this Agreement remaining the same except that MANAGER and CONTRACTOR shall mutually agree upon the compensation for the upcoming term prior to the commencement thereof.
- B. Should either party be in material default under the terms of this Agreement, the non-defaulting party shall provide written notice of the default except in the case of default by the MANAGER resulting from a failure to make payment to the CONTRACTOR for Services pursuant to Paragraph 6 above. The defaulting party shall have thirty (30) days to cure or take reasonable steps to begin to cure, depending on the circumstances, the default. However, where such default is a result of a failure of the MANAGER to remit payment for Services under Paragraph 6 herein, no cure period shall be granted, the MANAGER shall be considered in default under this Agreement, and payment for such Service shall remain due and immediately payable. Should the defaulting party fail to meet the foregoing requirements, the non-defaulting party may terminate this Agreement upon delivery of written notice of termination to the other party.

#### 18. <u>INTEGRATED AGREEMENT</u>

- A. This Agreement sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous agreements or understandings, whether written or oral, relating thereto. This Agreement may be amended only in writing, signed by persons authorized to bind the parties thereto.
- B. For the convenience of the parties, this Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same Agreement.

#### 19. BREACH

Except for excusable delays, if any party fails to perform, in whole or in part, any promise, covenant or agreement set forth herein, or should any representation made by either party be untrue, any aggrieved party may avail itself of all rights and remedies, in law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

#### 20. APPLICABLE LAW, INTERPRETATION AND SEVERABILITY

- A. Each party's performance hereunder shall comply with all applicable federal, state and local laws. This Agreement shall be enforced and interpreted under the laws of the state in which the services are performed. Should any part, term or provision of this Agreement be held void, illegal, unenforceable or in conflict with any law of a federal, state or local government having jurisdiction over this Agreement, the validity of the remaining parts or provisions of this Agreement shall not be affected thereby.
- B. Section headings contained herein are solely for the purpose of aiding in the speedy location of subject matter and are not in any sense to be given weight in the construction of this Agreement. Accordingly, in case of any question with respect to the construction of this Agreement, it is to be construed as if such section headings had been omitted.
- C. This Agreement has been negotiated at arm's length between the parties hereto, both of which are sophisticated and knowledgeable in the matters dealt with in this Agreement. Accordingly, any rule of law or legal decision that would require any ambiguities in this Agreement to be interpreted against the party that drafted it, is not applicable and is hereby waived. The provisions of this Agreement shall be interpreted in a reasonable manner to give effect to the purpose and intent of the parties.

#### 21. ATTORNEY'S FEES

Should either party commence any legal action or proceeding in order to enforce or interpret any term or provision of this Agreement, the prevailing party shall recover its reasonable costs and attorney's fees.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be duly executed by their authorized representative.

#### BOARD MEETING AGENDA July 13, 2015 - Special Report #11

**Date:** July 13, 2015

To: UCSD School Board

From: Crista Carlile

**Re:** Course Title Change

#### **Background**

Urbandale High School offers four levels of Spanish for students who are heritage speakers, meaning they have lived in Spanish speaking countries and/or have learned Spanish at home. When the course was adopted, the name 'Spanish for Hispanics' was chosen to aid students, families, and counselors as they chose appropriate courses for students.

Since that time, many other districts in central Iowa have adopted similar courses for their heritage speakers. Further, UHS has seen an increase in the number of students who speak Spanish, but would not be accurately described as Hispanic. To more accurately describe the content of the course as well as the students who take it, the title should be changed to 'Spanish for Heritage Speakers'. This would align with other school districts and colleges (i.e. DMPS and DMACC) that offer these courses.

Old Course Title	Proposed Course Title
Spanish for Hispanics I	Spanish for Heritage Speakers I
Spanish for Hispanics II	Spanish for Heritage Speakers II
Spanish for Hispanics III	Spanish for Heritage Speakers III
Spanish for Hispanics IV	Spanish for Heritage Speakers IV
