K-5 Curbside Drop Off (8:40-8:55) and Pick Up (3:35-3:45) follow Yellow Path

We ask that your student(s) always exit and enter the vehicle on the right side of your vehicle. **(Parents do not leave their vehicles)**

Please continue to pull as far forward as possible. Do not wait to drop off at your student's grade level door. Please have them exit the vehicle anywhere in the drop off zone and allow them to walk to their grade's entrance. If your student is not able to get out or into the vehicle independently, please use the front entrance for drop-off and pick-up.

We ask that you make **one** drop-off in the morning rather than stopping at each grade level entrance. All students meeting parents that wait in their cars after school will be directed out the west end doors (K-1, 2-3, and 4-5 wings) on the west side of the building to expedite pick up.

Once your student(s) have exited the vehicle you may pass on the left side and pull around the circle drive and exit the driveway. DO NOT make U-turns at any time within the driveway.

PreK-5 Drop Off (8:40-8:55) and Pick Up (3:35-3:45)follow the Green Path

Caregivers MUST park their vehicle and escort your child to/from the doors of the building.

This lot will be used for all parent parking for those individuals who will be EXITING their vehicles and escorting their child to the front or east doors of the building for drop-off or pick-up. When entering the lot, you must travel into the east parking lot first, then either exit the lot using the middle drive OR continue traveling in a circle around the west parking lot and exiting out at the middle drive.

Parents picking up for appointments or those who have children who are arriving late or leaving early should use this lot. ***Parents may NOT vacate their vehicles in any travelways...and students will be asked to wait on the sidewalks by the building until parents have exited their vehicles to meet and accompany their child(ren) to the car.***

Bicycle Riders and Walkers (Arrival: 8:40-8:55) (Dismissal: 3:35)

Students walking to Webster from the east side of 128th Street and west from Aurora should use the crossing at 128th and Aurora Avenue. Students using this crosswalk will enter/exit the building by the east gym entrance, walking on the sidewalk alongside the east parking lot and on the sidewalk (north side) along Aurora. Students should only cross at the signal lights where the white crossing lines have been painted, using the same crossing procedure as last year. Crossing guards are only stationed at this intersection and will help students cross safely.
