

day of innovation

DETAILS

April 24, 2025

9am - 1pm

Pappajohn Education Center

1200 Grand Ave, Des Moines, IA 50309

AGENDA

This day-long summit kicks off with a light breakfast and keynote speaker, followed by STEM breakout sessions for students to explore hands-on activities. The day will end with a lunch and time to connect! After lunch, our GEI and AI Challenge students will pitch their projects for judges.

REGISTER

It is completely free to register. Just sign up by scanning the QR code below - there are limited spots available! Visit pi515.org/day-of-innovation to learn more.

"This is not an Urbandale Community School District publication. The District neither endorses nor sponsors this organization or activity represented in this material. It is being distributed through the school district as a courtesy to inform families of community activities and events."

DESCRIPTION

Let's celebrate youth talent!

This exciting day brings the community together to celebrate our students, appreciate our volunteers and sponsors, and network with professionals. Students will have the chance to connect with industry leaders, gain insights from tech experts, and engage in interactive activities throughout the event!

Whether you're a student, parent, or educator - you are invited to support the future of youth and be a part of this impactful day!

ACTIVITIES

- AI investigations (training your own chat bot/ visual identification)
- Presentations from local experts in tech
- Entrepreneurship ideation activity
- Basic guided coding activities (including block code)
